## **PRESIDENT MESSAGE**

Our June meeting is a very important one for this Association. It is the meeting where we "map" out where we would like to go and what we would like to accomplish for the coming year.

Accordingly, it is extremely important that all members try to be present. It is only through your thoughts (which can be simple or far reaching) and input that we will continue to grow. If you are unable to be present and have any ideas on how we can be bigger and better (through education, increasing our membership, reaching out to fellow legal professionals, etc.) please feel free to contact me or any of the 2008-09 board members. Our telephone numbers and e-mail addresses are listed for your convenience.

Also, as you know, this year we have a new format with regard to officers and committees.

As part of the Board we have a Membership Director, Education Director and Marketing Director (in addition to the President-Elect, Treasurer and Secretary). These Directors will each be responsible for recruiting chairs for the committees they are responsible for:

**Marketing:** bulletin, fundraising/finance, marketing and technology

**Membership:** employment, installation of officers/member recognition night, member services and reservations

**Education:** certification, legal education, program, scholarship.

Each chair will report to the Director, who will report at business meetings. If there is a committee that you would like to chair, or a committee that you would like to serve on, please contact the appropriate Director and volunteer, before they have to "recruit". I

know they would be very happy to hear from you.

Before I close, I need to do some very important "kudos:"

to Sonja and Kim for the wonderful job they did on the installation meeting;  
to Beth for doing such a fine job with the Mandatum;  
to Carol and her Board for a super year; and  
to all members of LPSCW for their support of this association.

I am looking forward to serving as your President this year and I hope to see you all at the June meeting.

Gail Wolfe  
LPSCW President 2008 - 2009

I want to thank all the members of LPSCW for the beautiful clock I received as a gift for my installation as President of WALP. It means the world to me!

I also want to thank all the members who were in attendance at the WALP Annual Meeting in Appleton. It meant a lot to me to have so many of my friends from LPSCW in attendance. A special thank you to Helen for being my installing officer!

It is events like this that make me appreciate even more the friendships I have made through the years, not only in LPSCW but also with WALP and NALS. I don't know what I would do without my friends - now let's have fun!

Karen Dempski, PLS  
2008-09 WALP President
