PRESIDENT MESSAGE

Will the snow ever stop? Will it ever warm up? Even the flower catalogs I've received in the mail aren't convincing me that Spring is approaching, but I know it is. Actually, March is a busy month: March 1 - WALP Spring Seminar in Green Bay; March 6-8 - Professional Development and Education Conference in Tulsa; March 9 - daylight savings begins; March 12 - LPSCW education meeting at the Coliseum Bar; March 17 - St. Patrick's Day; March 20 - first day of Spring; March 21 - Good Friday; March 23 - Easter Sunday. Phew! That's a lot going on and I hope you can take it all (or most of it) in. I look forward to seeing all of you at the March 12 LPSCW meeting, and if I don't, I hope you have a Happy St. Patrick's Day and Happy Easter!

Carol Mays
President
